

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of media attempting
to show a message to
further their owners
political interest,
NOT the public
interest.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. This
blatant attempt to
control the airwaves
is exactly why we
need to strengthen
media ownership
rules, not weaken
them. Sinclair's
license should not
be renewed.

Thank you.
